

Liz Berberena

WEB DEVELOPER & DIGITAL SPECIALIST

lizberberena@gmail.com | 732-595-8846 | lizberberena.com | New Jersey, US

WORK EXPERIENCE

Web Producer | Amplify – Langhorne, PA (Remote)

Mar 2020 – Sep 2026

- Maintained the digital ecosystems of **5+ company brands** and **3+ partner associations**
- Developed, tested, updated, and upgraded responsive websites on Joomla and WordPress
- Managed web and email ads for **100+ pharma/biotech companies**, including Pfizer, Merck, J&J, AbbVie, AstraZeneca, Eli Lilly, Bristol Myers Squibb, Novartis, GSK, and Amgen
- Designed and created custom program and series landing pages, conference and event registration portals, surveys, interactive tools, and graded activities for clients and partners
- Reported and analyzed metrics across all digital channels
- Identified and filtered high-volume bot traffic sources on GA4, enabling more accurate identification of top-performing content and improving KPIs
- Administered **5+ subscriber lists**, created profile and subscription management centers, and built automations across digital and print properties on ActiveCampaign and proprietary CRM software
- Uploaded **1000+ pieces of content** including news, educational articles, essays, print issues, videos, podcasts, webinars, guides, presentations, artwork, photo albums, and resources
- Provided technical support to users and colleagues
- Maintained internal Smartsheet ticketing system and wrote detailed walkthroughs

Junior Web Producer | Amplify – Cranbury, NJ (On-site)

Jul 2019 – Mar 2020

Note: Hired under The Lynx Group prior to its acquisition by Amplify

- Designed, built, tested, and deployed multiple regular e-newsletter series and targeted promotional emails simultaneously with Bronto and later Mapp, MailChimp, and ActiveCampaign
- Ensured accuracy of conference mobile apps and virtual agendas
- Restored **30+ legacy issues** independently
